

E24c

24 Device Economy Charging Solution
for Tablets, Laptops and Chromebooks

Efficient, Effortless, Economical

Looking for a simple charging cart that can store and charge classroom devices without breaking the bank? Say hello to E24c, AVer's latest budget-friendly charging solution perfect for your everyday, effortless device management.

AC Charger

5 Years
Mechanical

2 Years
Electrical

"AVer has great products for education... the AVer cart features, availability and price-point met our needs... the external frame is well built and great for transporting the carts across campus."

- San Marino Unified School District, Carver Elementary School,
Jason Powert, Computer Lab Coordinator

Maneuver with Finesse

E24c's compact design and 5" swivel casters make it easier to transport devices and provide a smooth mobile experience even in the most crowded corridors or smallest spaces.

Clear-cut Power and Cable Management

Devices are easily cabled and fully charged free of any program setup or circuit overload! Simply connect E24c to an outlet and it will automatically circulate charges through each row of devices.

Easy on the Pocketbook

Quality device management does not have to equate to big spending. E24c provides all your charging needs at a fraction of the cost.

SAVE MONEY

One Cart Fits All

E24c easily supports 24 laptops, Chromebooks, or tablet devices with screens up to 14". Need to charge your own laptop while charging your students' tablets? Sure, why not.

Sleek and Classy

Internally spacious enough to store 24 devices yet sleekishly designed externally to fit in the most confined spaces. Ideal for any tight areas!
