- Multi size options – 22" 32" 43" 49" 55" 65" 75"

Smart design

The sleek look is achieved with a striking aluminium surround and edge-to-edge vandal proof tempered glass front panel

Integrated signage Media Player

Powered by Samsung MagicInfo S4 Tizen

Plug and Play

If there is no internet access available the screen can still be updated thanks to their backup USB update option. Simply package up your Playlist onto a USB stick and insert into the screen. Your templates, schedule and content will now copy over and start playing.

Commercial Grade

Designed for use in commercial applications this screen can run 24/7. No external buttons or controls to avoid tampering.

Built in Wi-Fi

Connect the screen to the CMS wirelessly via the integrated Wi-Fi, ethernet or by LAN

24/7 Commercial Use

A commercial grade panel, with a lifespan of 50,000 hours and high quality components ensure that this display can be in constant use 24/7. Tablet-like styling is achieved thanks to their tempered glass front and robust steel enclosure, framed in an unpainted aluminium surround, unlike cheap imitations

Applications Area

- Shopping malls
- Hotels
- Hospitals
- Public Places:
- Entertainment Places:
- Financial Institution
- Business Organizations
- Public Service
- Real Estate & Property
